Together at Thornridge

When we think of Thornridge we will always recall the many things which make it so special. Friends we have made, skills we have learned, teachers who took an interest in us, principals and counselors who took the time to advise us when we needed advice, the many plays we were a part of, the flings, the number one football team in the state, the honors won in speech contests, the swim team, the gym jams, the dances, the people, the classes, the games, but most of all, we will remember that this was our last year TOGETHER AT THORNRIDGE. With graduation, going to Thornton, the opening of Thornwood, becoming part of a new environment, and the many adventures of being promoted, we found that this was a really outstanding year because togetherness developed and we were really TOGETHER AT THORNRIDGE.

Wow! What

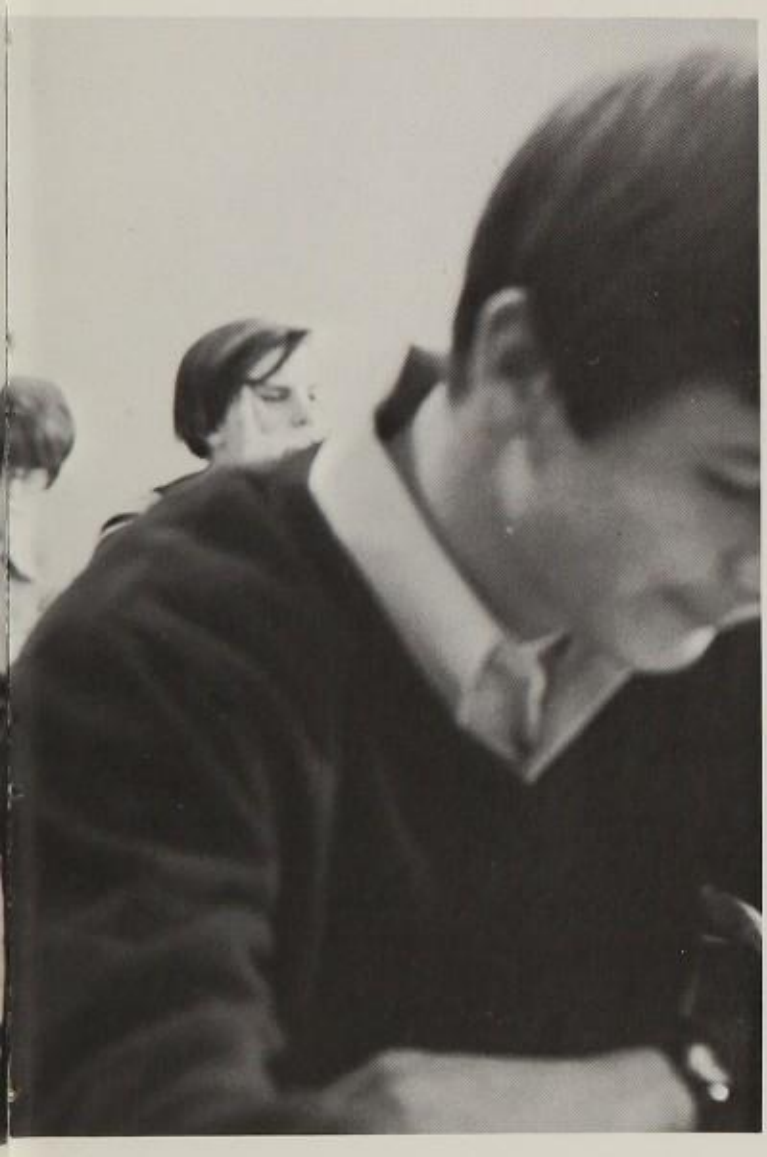
P.S.



"The Imaginary Invalid", the 1970 winter play, was a comedy farce by Moliere. It was about a man, a hypochondriac, performed by George Chialtas. He was bent on his daughter marrying his apothecary's nephew for the sole purpose of receiving all his medical supplies wholesale. His plans fell apart when his daughter performed by Michele Berg, fell in love with Thomas, performed by Dave Clayton.

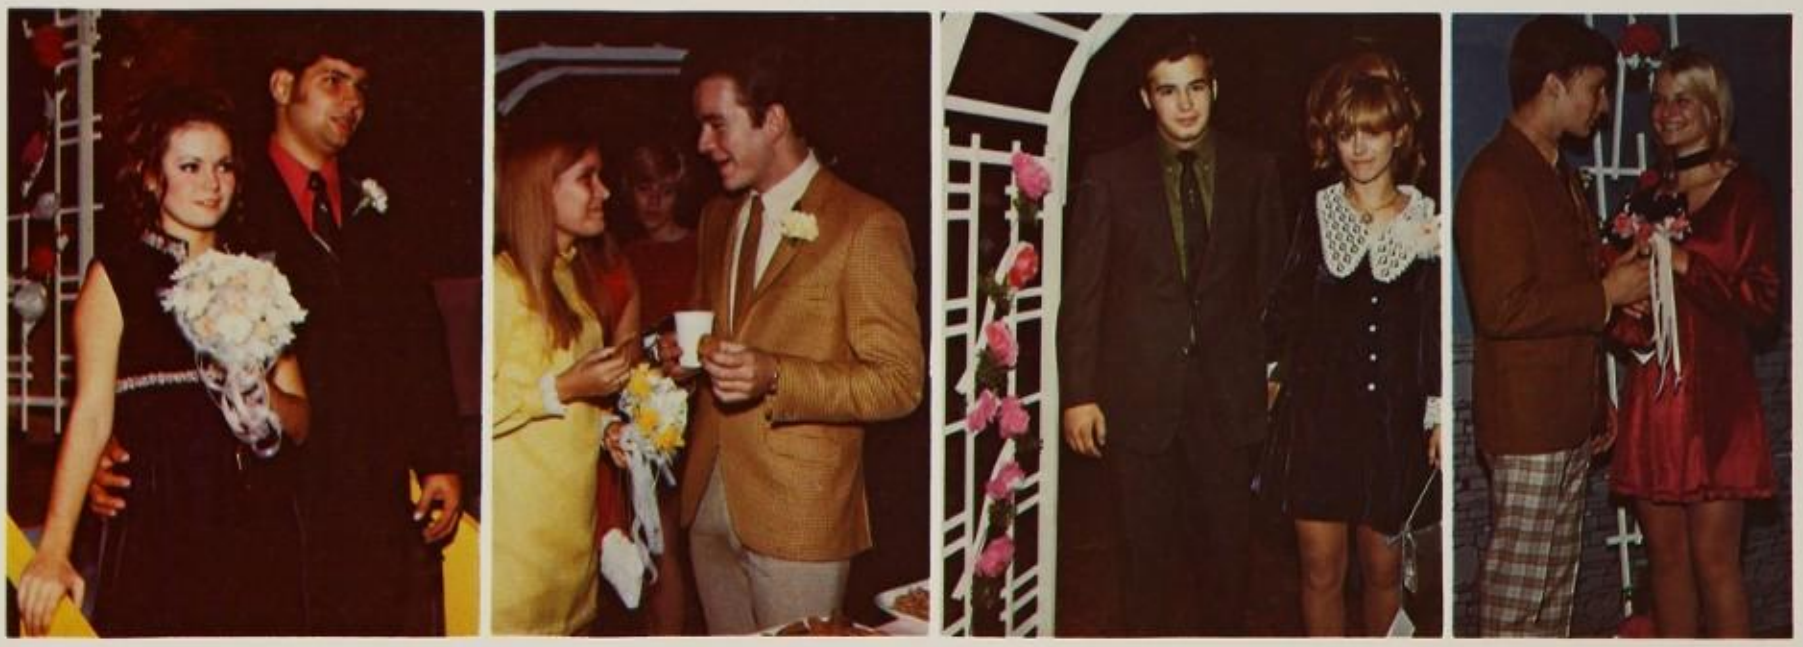
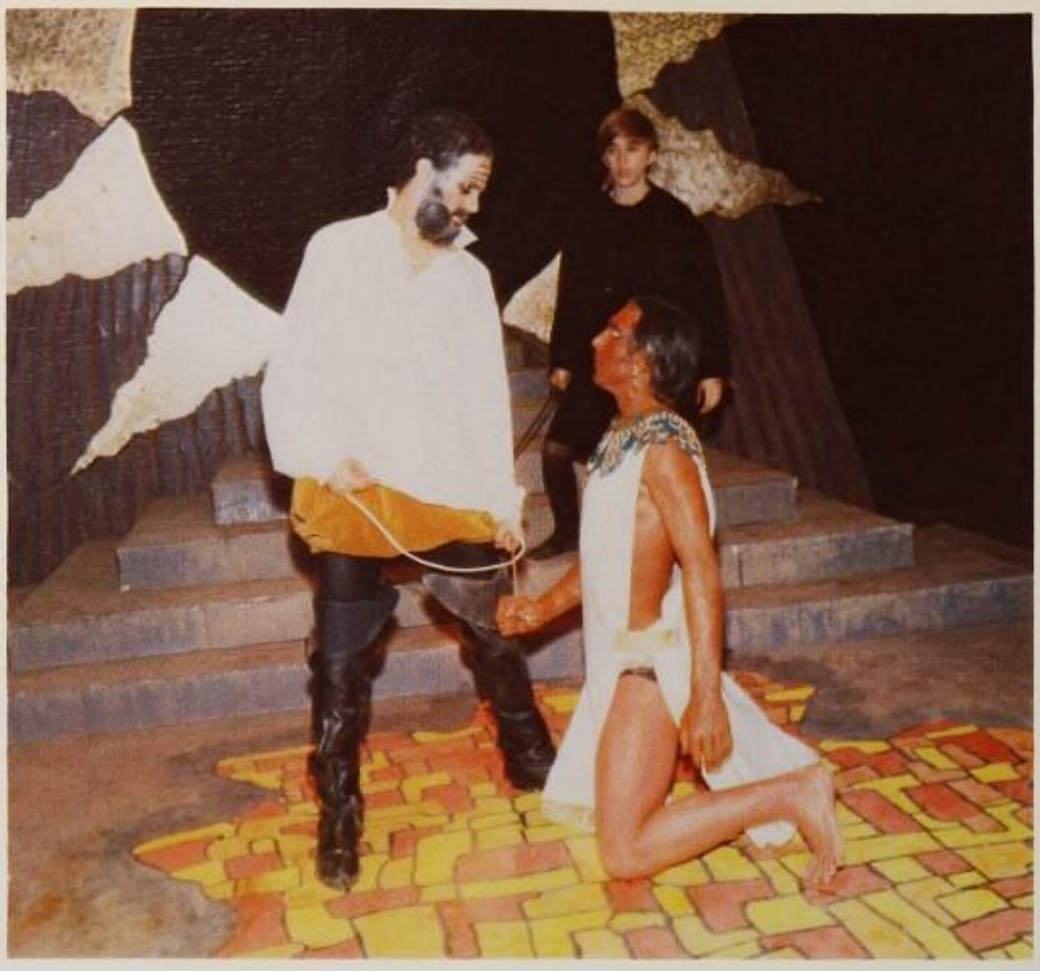
Through The Looking Glass



Thornridge second tenth annual Homecoming dance sponsored by Highlanders was entitled "Through the Looking Glass." Couples entered into a world of unreality when they arrived. Upon entering, starry-eyed couples glided through a Hall of Mirrors partook of refreshments at the "Mad Tea Party" and danced in the boys gym, now masqueraded as a rabbit hole, to the high quality music of the "For-Mals." The evening's entertainment was a fascinating "slight of the hand" show performed by magician, Dick Sheehey. The highlight of the evening was the announcement of the Homecoming King, Gary Lester, and Queen, Debbie Helland. "Through the Looking Glass" was simply just one big huge success.



ROYAL HUNT OF THE SUN

Royal Hunt of the Sun

Hours plus hours plus more hours help made the play, "The Royal Hunt of the Sun", the success it was. With Mr. Hardin and Linnea Lannon directing the actors the play won a sixth place in the state contest.

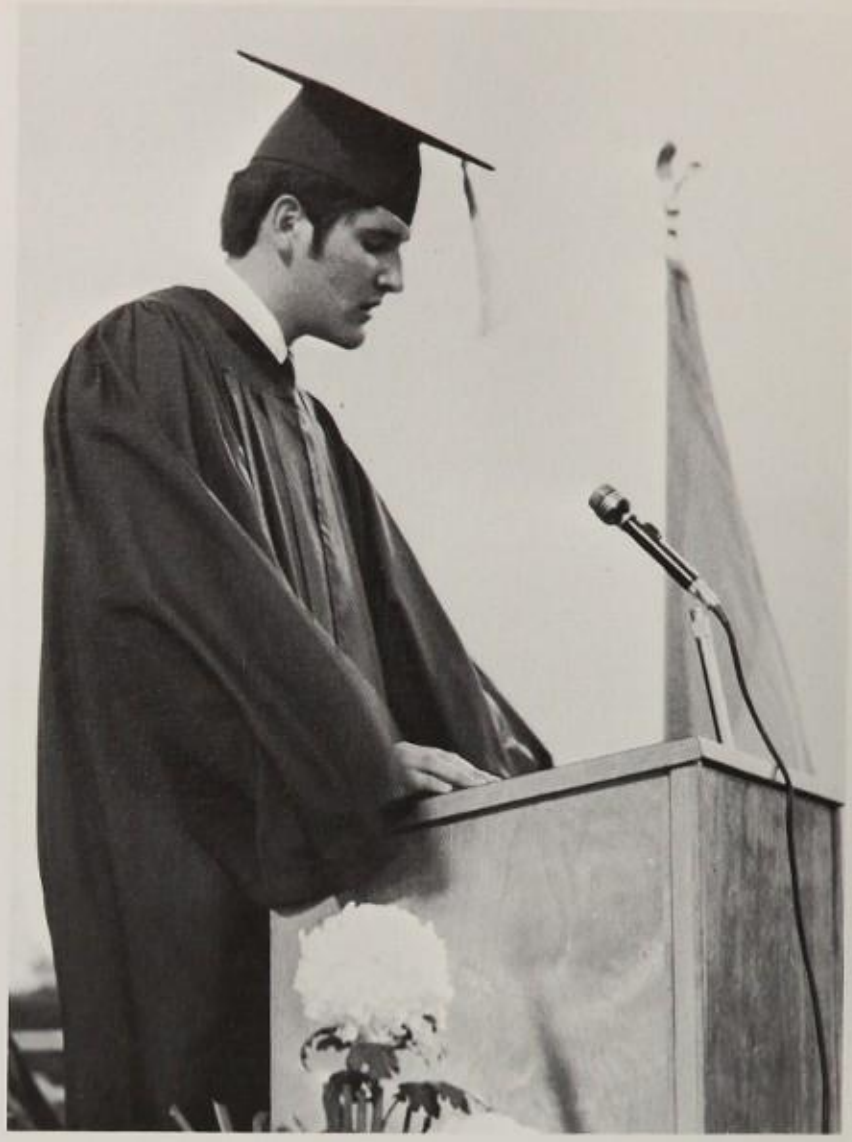
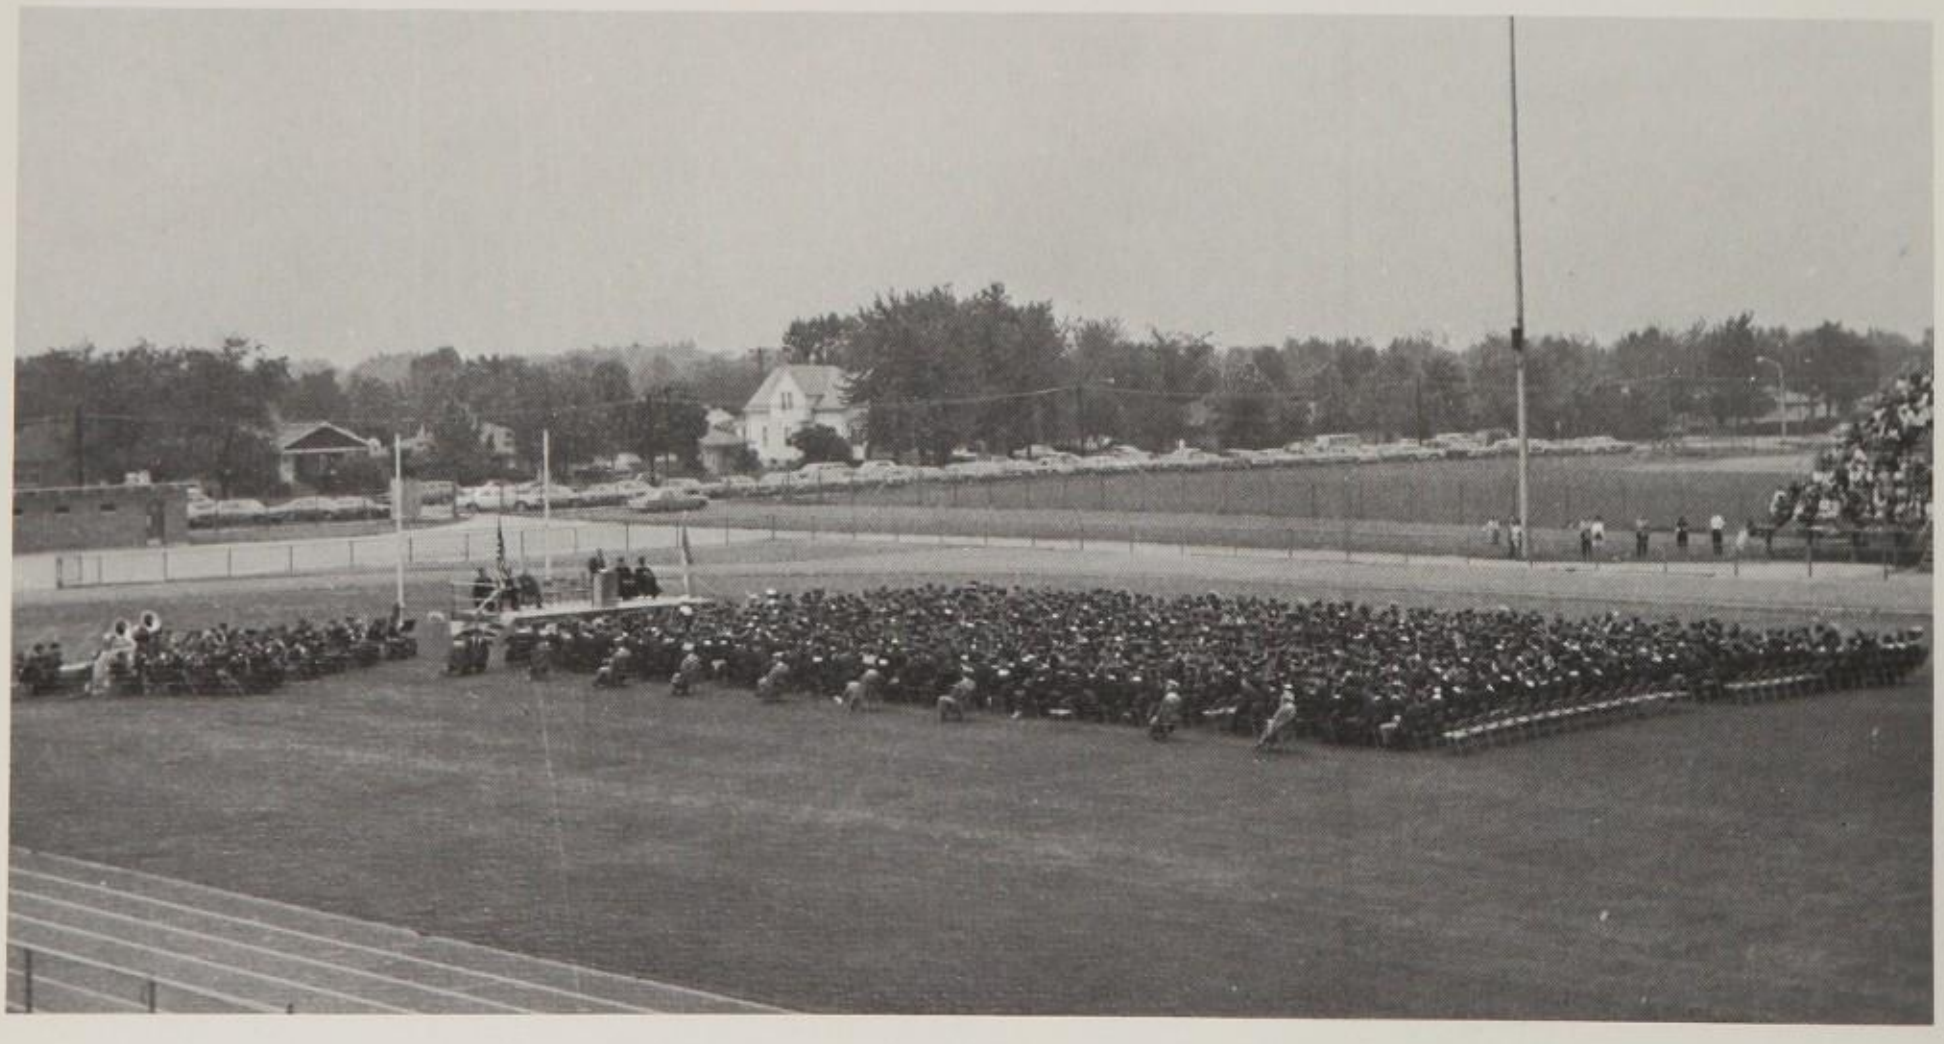
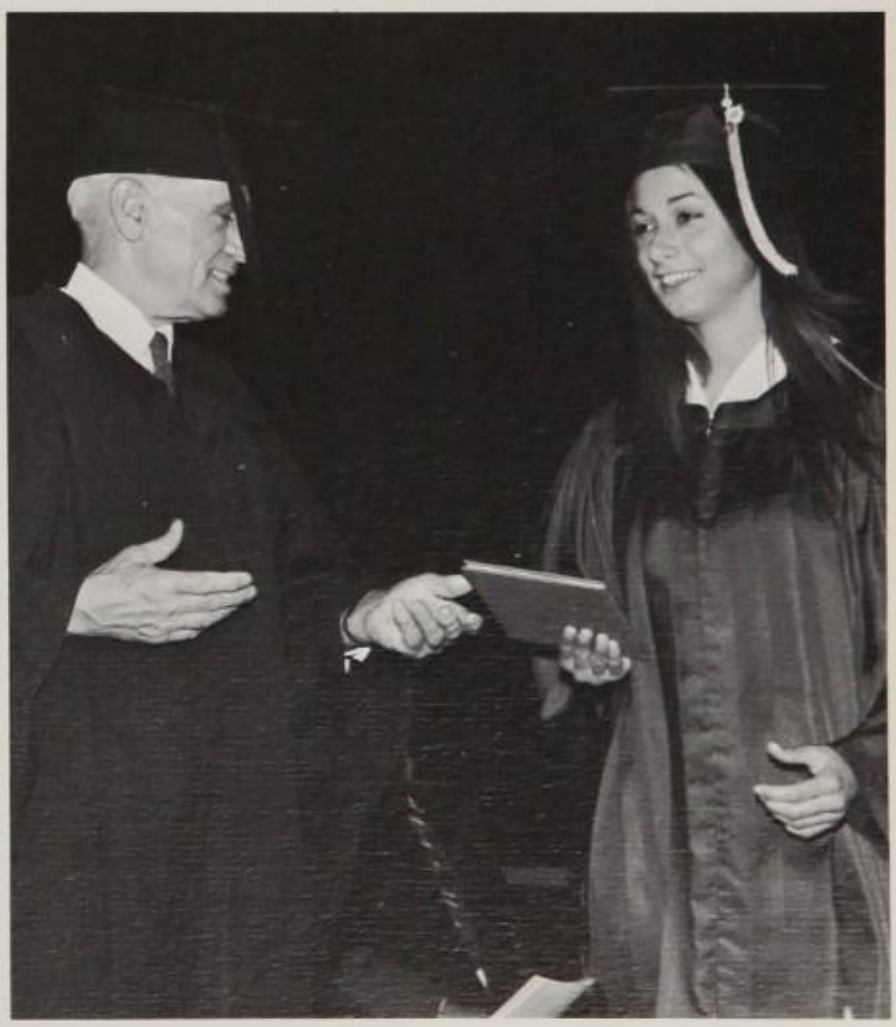
Graduation 1970



GRADUATION

"A time for joy, a time for tears, a time we'll treasure through the years." These few lines came from an ever popular song describing that all important happening called Graduation. Both speakers, Charles Czeisler and Carol Murin, gave outstanding speeches. Last year there were 900 graduates and over 900 different meanings of graduation. Whatever meaning it had, it left no one it touched unchanged.





The Grand Ball

The 1970 Prom was different from all other proms of Thornridge. No longer did the creative people have to make a wonderland out of the gym. No longer would the couples have romantic memories of the bleachers. For the first time, the Thornridge Prom was held off campus.

The elegant new Lexington House in Hickory Hills was the scene of all the excitement. Couples danced to the music of the Lou Breeze Orchestra and the Enchanters IV. The highlight of the evening occurred when Carol Zwier was crowned Prom Queen and Debbie Helland received the title of Prom Princess. At midnight, couples ate dinners of T-bone steaks, baked potatoes, fruit salad, and sherbert.

Those who were there will remember the wonderful feeling which accompanied all to the Grand Ball.

A couple gazes at each other in expectation of the evening to come.

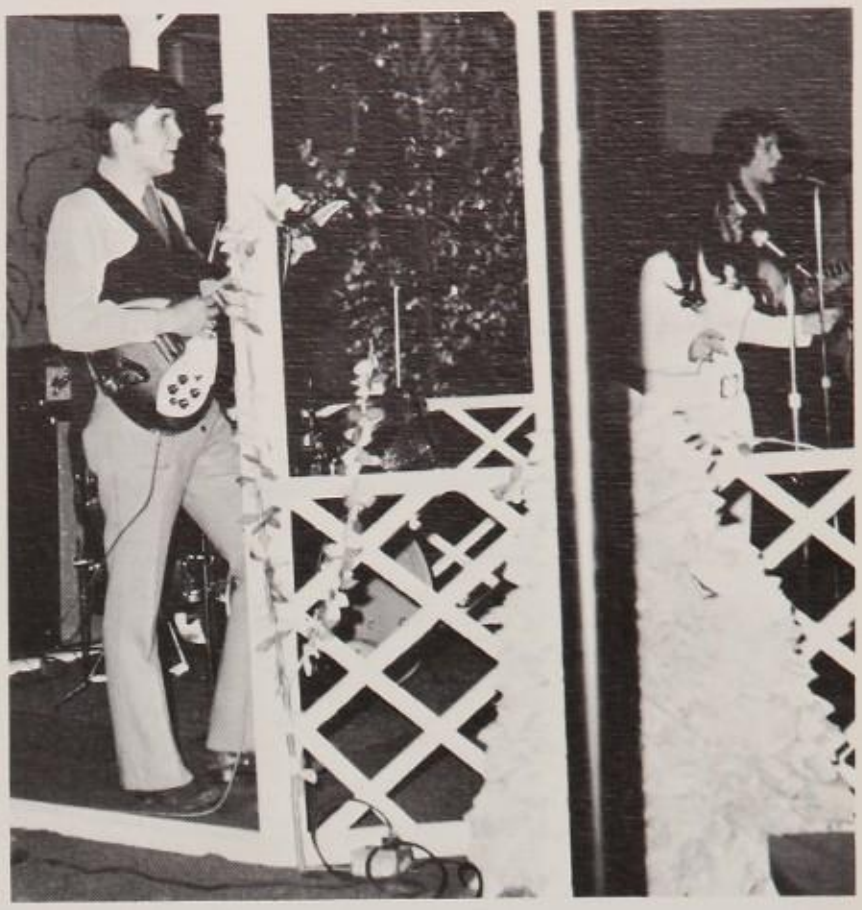
In the Good Old Summertime

Summer arrived at Thornridge ahead of schedule this year for the annual Girls Club turnabout dance. The gym and the style of the 1890's. Ice cream and sundaes decorated the halls. Centered on the stage was a spring garden setting. Couples danced to the music of the Sounds Inc. Vic Joyner and Lenita Griffis, Master and Mistress of Ceremonies, kept the entertainment moving. Highlight of the evening was the announcement of Joe Dumakowski as the Girls Club 1971 King. All in all, the evening was filled with delight and pleasure.

One couple found time to enjoy the atmosphere.

A barbershop quartet provided enjoyable entertainment.

Couples could take a breather and enjoy refreshments served in suitable atmosphere.



The music eminated from the atmospheric gazebo.

Thornridge couples rush the season by dancing "In The Good Old Summertime."

The Measures Taken

Bertolt Brecht's, The Measures Taken, Directed by Mr. Jan Bejamin, was last years contest play. In competition this production was quite successful, ranking first place at both South Suburban and I.H.S.A. District Contests. At the I.H.S.A. Sectional Contest this production received a second place Entitling it to compete in the I.H.S.A. State speech and Drama Contest where it was chosen as the second best production in the state, aiding the total team effort in receiving the I.H.S.A. State Contest Sweepstakes.

To emphasize the Brechtian style of acting, the actors had to move the audience to various degrees of involvement. In this scene the actors ran toward the audience and froze in this position.

One of the more outstanding elements of this production was the strict co-ordination of film and action. The simple pantomime was re-inforced by the use of factual evidence formed on the screen behind the actors.

The re-enactment of an innocent victims death and the use of an exciting segment of film restated the director's intention to keep this production within the boundaires of its particular style.

Once Upon a Mattress

The 1970 Spring play was entitled "Once Upon a Mattress". It was a fable about a princess who proves her royalty by sleeping on a pea under twenty mattresses. This test was conjured up by Queen Agravain, Sue Thomsen, and the Wizard, Gary Mion. Winifred the Wobegone, Ginny Wilhelmsen, arrived on the scene to prove her royalty in order to marry Dauntless the Drab, Dave Clayton. Queen Agravain was determined to see Winifred fail the hardest test the Queen and the Wizard had ever dreamed up. If Winifred was a real princess, she should feel the pea. The next morning Winifred awoke, claiming she could not sleep because of the bumpy mattresses. Winifred and Prince Dauntless were wed and the kingdom rejoiced.

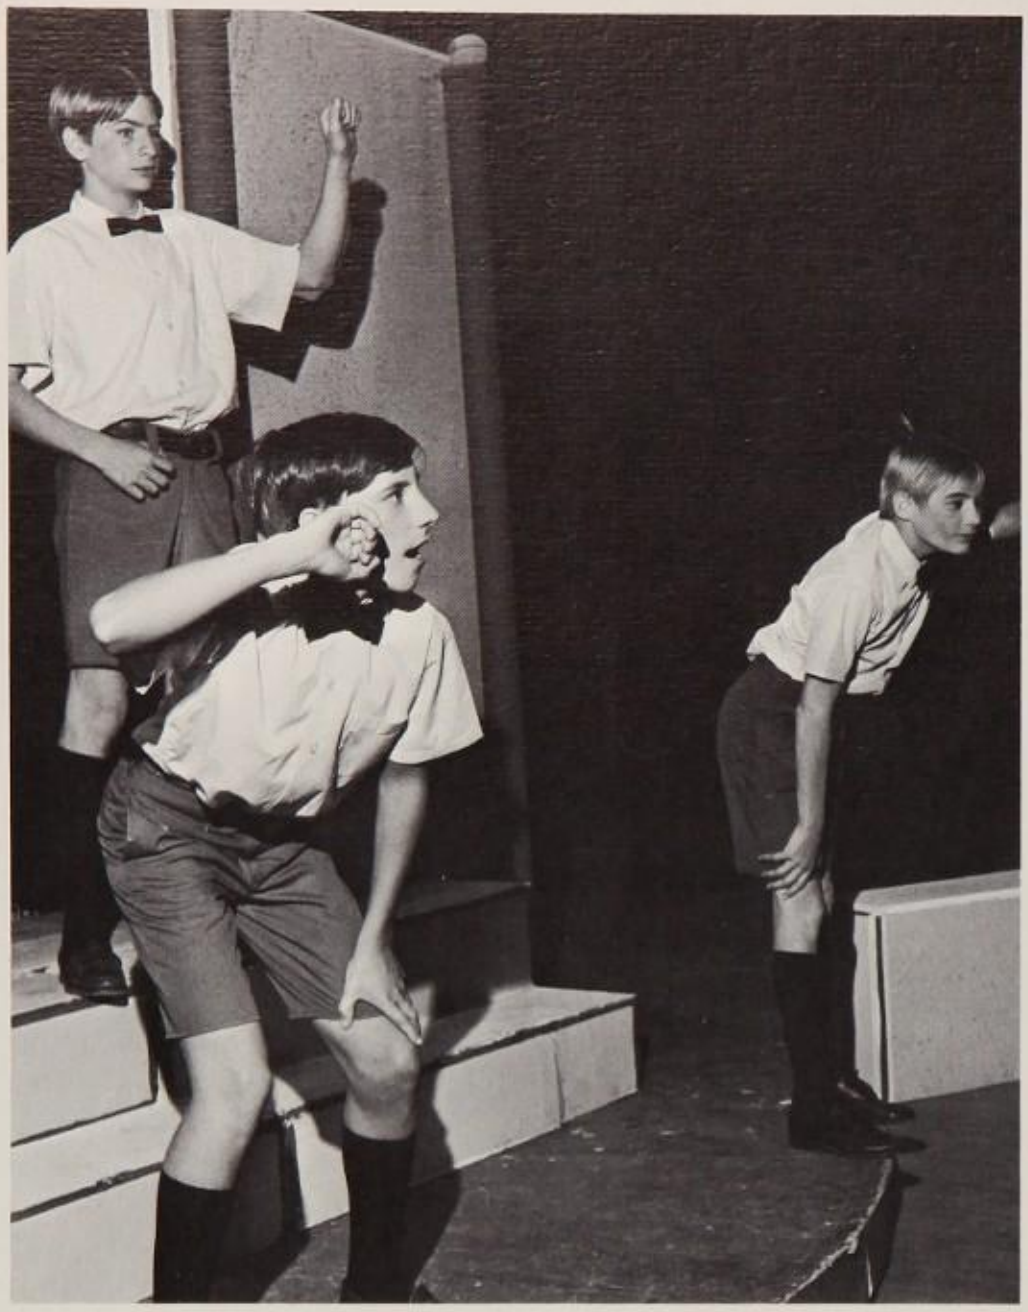
Cheaper by the Dozen

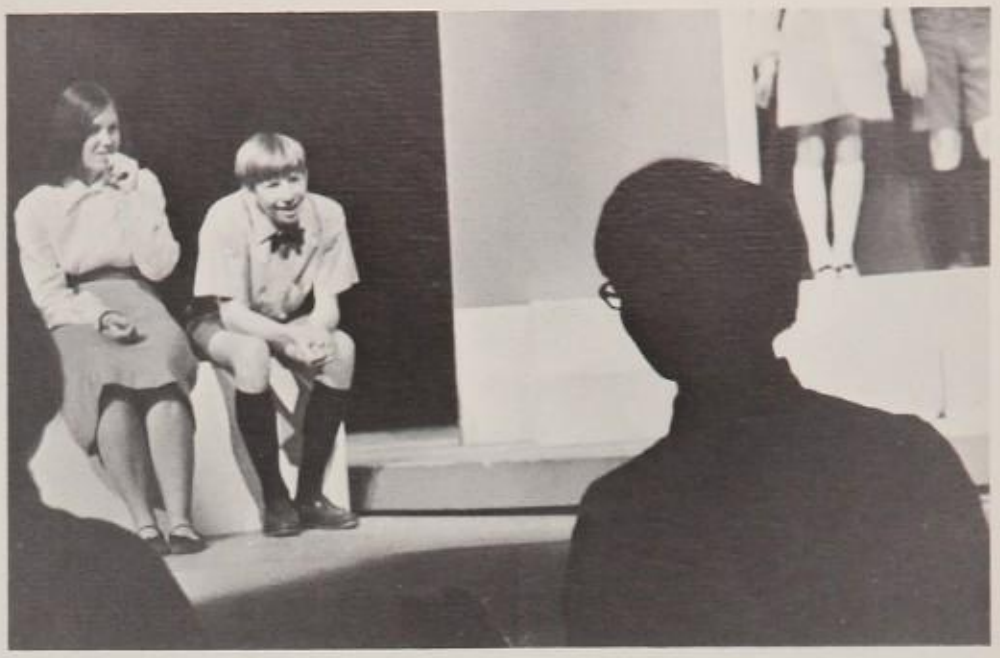


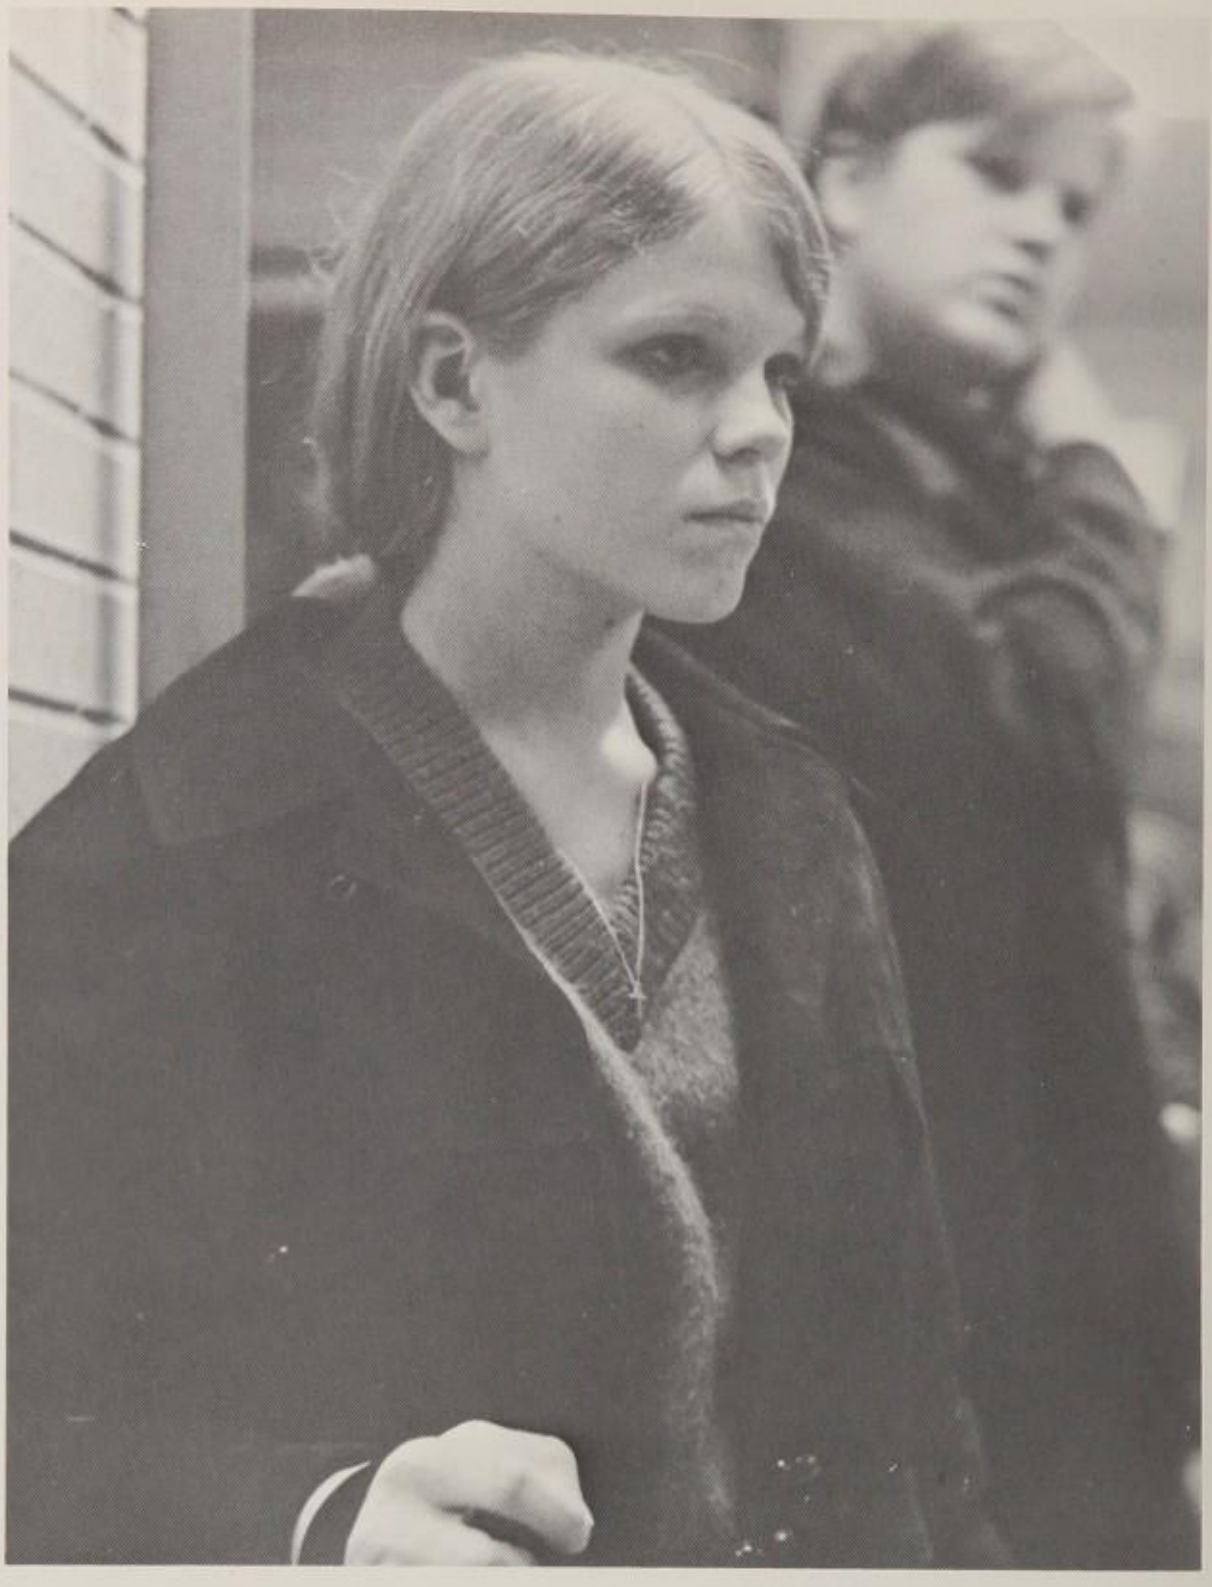
Mark Wilmson, Bruce Hausknecht, David Ladford.

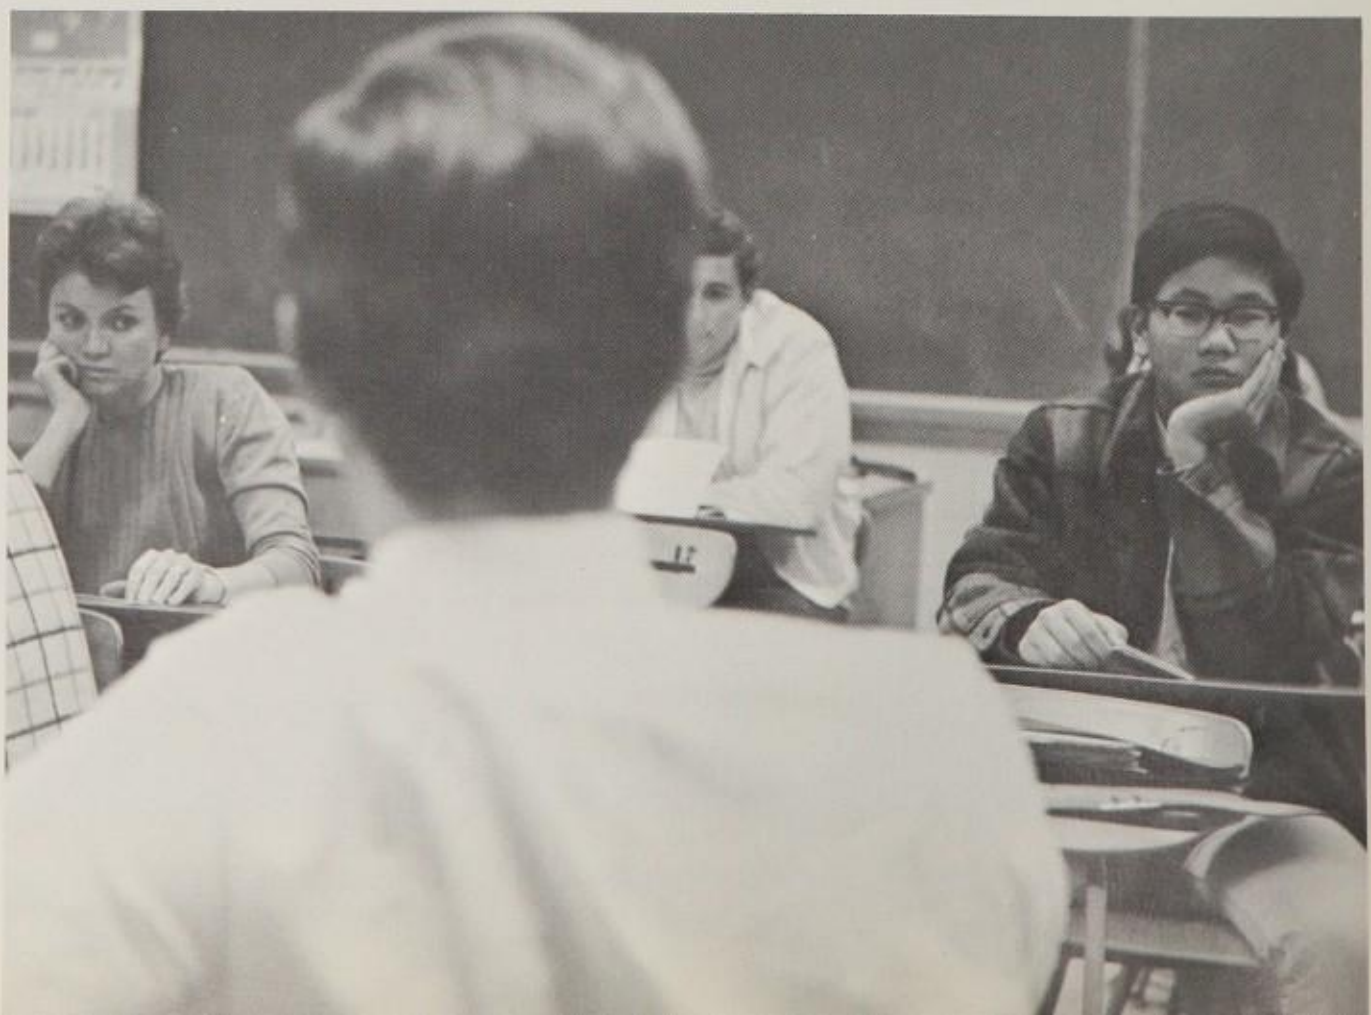
Jeff Qiulici, Jerri Lauridsen, Celeste Palnsik.

Back Row: Debbie Zollinger, Bruce Hauscknecht, Diane Whieler, Sandy Cusack. **Middle Row:** Mike Milord, Brian Gannon, Sue Kilgre, Jeff Joyner, David Ladford. **Front Row:** Jeff Quilici, Celeste Palasik, Diane Basica.

This year's fall play "Cheaper by the Dozen" introduced to Thornridge a new form of theatre, Chamber Theatre. A revolving set was used to create the illusion of a moving car. Jeff Quilici and Celeste Palasik portrayed Frank Gilbreth and his wife, the parents of twelve. The dozen children were played by Debbie Zollinger (Anne), Jerri Lauridsen (Mary), Diane Weiler (Ernestine), Sandy Cusack (Martha), Mark Wilkinson (Frank Jr.), Mike Milord (Bill), Sue Kilgore (Lillian), Jeff Joyner (Fred), Bruce Hausknecht (Dan), David Ladford (Jack), Brian Gannon (Bob), and Diane Basica (Jane). Harassment of older sisters and their boyfriends, a temper explosion about too many younger brothers and sisters around, and Mr. Gilbreth's threatening to send his daughters to a convent school if they wore silk stockings or bobbed their hair were among the many effective scenes in this great production. Congratulations to the cast and student director Debbie Beatty for a terrific performance.







Mother-Daughter Banquet

"Color Her Mom" was another Mother-Daughter Banquet success. Daughters treated their moms to a dinner of turkey with all the trimmings. Everyone adjourned to the auditorium after dinner for the planned entertainment. The new Girls Club officers were installed at this time. Janeth Bustamante, foreign exchange student, gave a farewell and thank you speech. The Madrigals followed this with a beautiful singing performance. Three representatives from Gateway House, a house used to help people with drug problems, were the main speakers. Highlight of the evening was the crowning of Jan Grolla as May Queen and Patti Jansma as Maid of Honor. Other members of the May Queen court consisted of Donna Anderson, Laurie Gargione, Debbie Helland, Onnie Komosa, Teresa and Thelma Rosenblatt, Judy Storey, and Ginny Wilhelmsen.

Big-Little Sister Tea

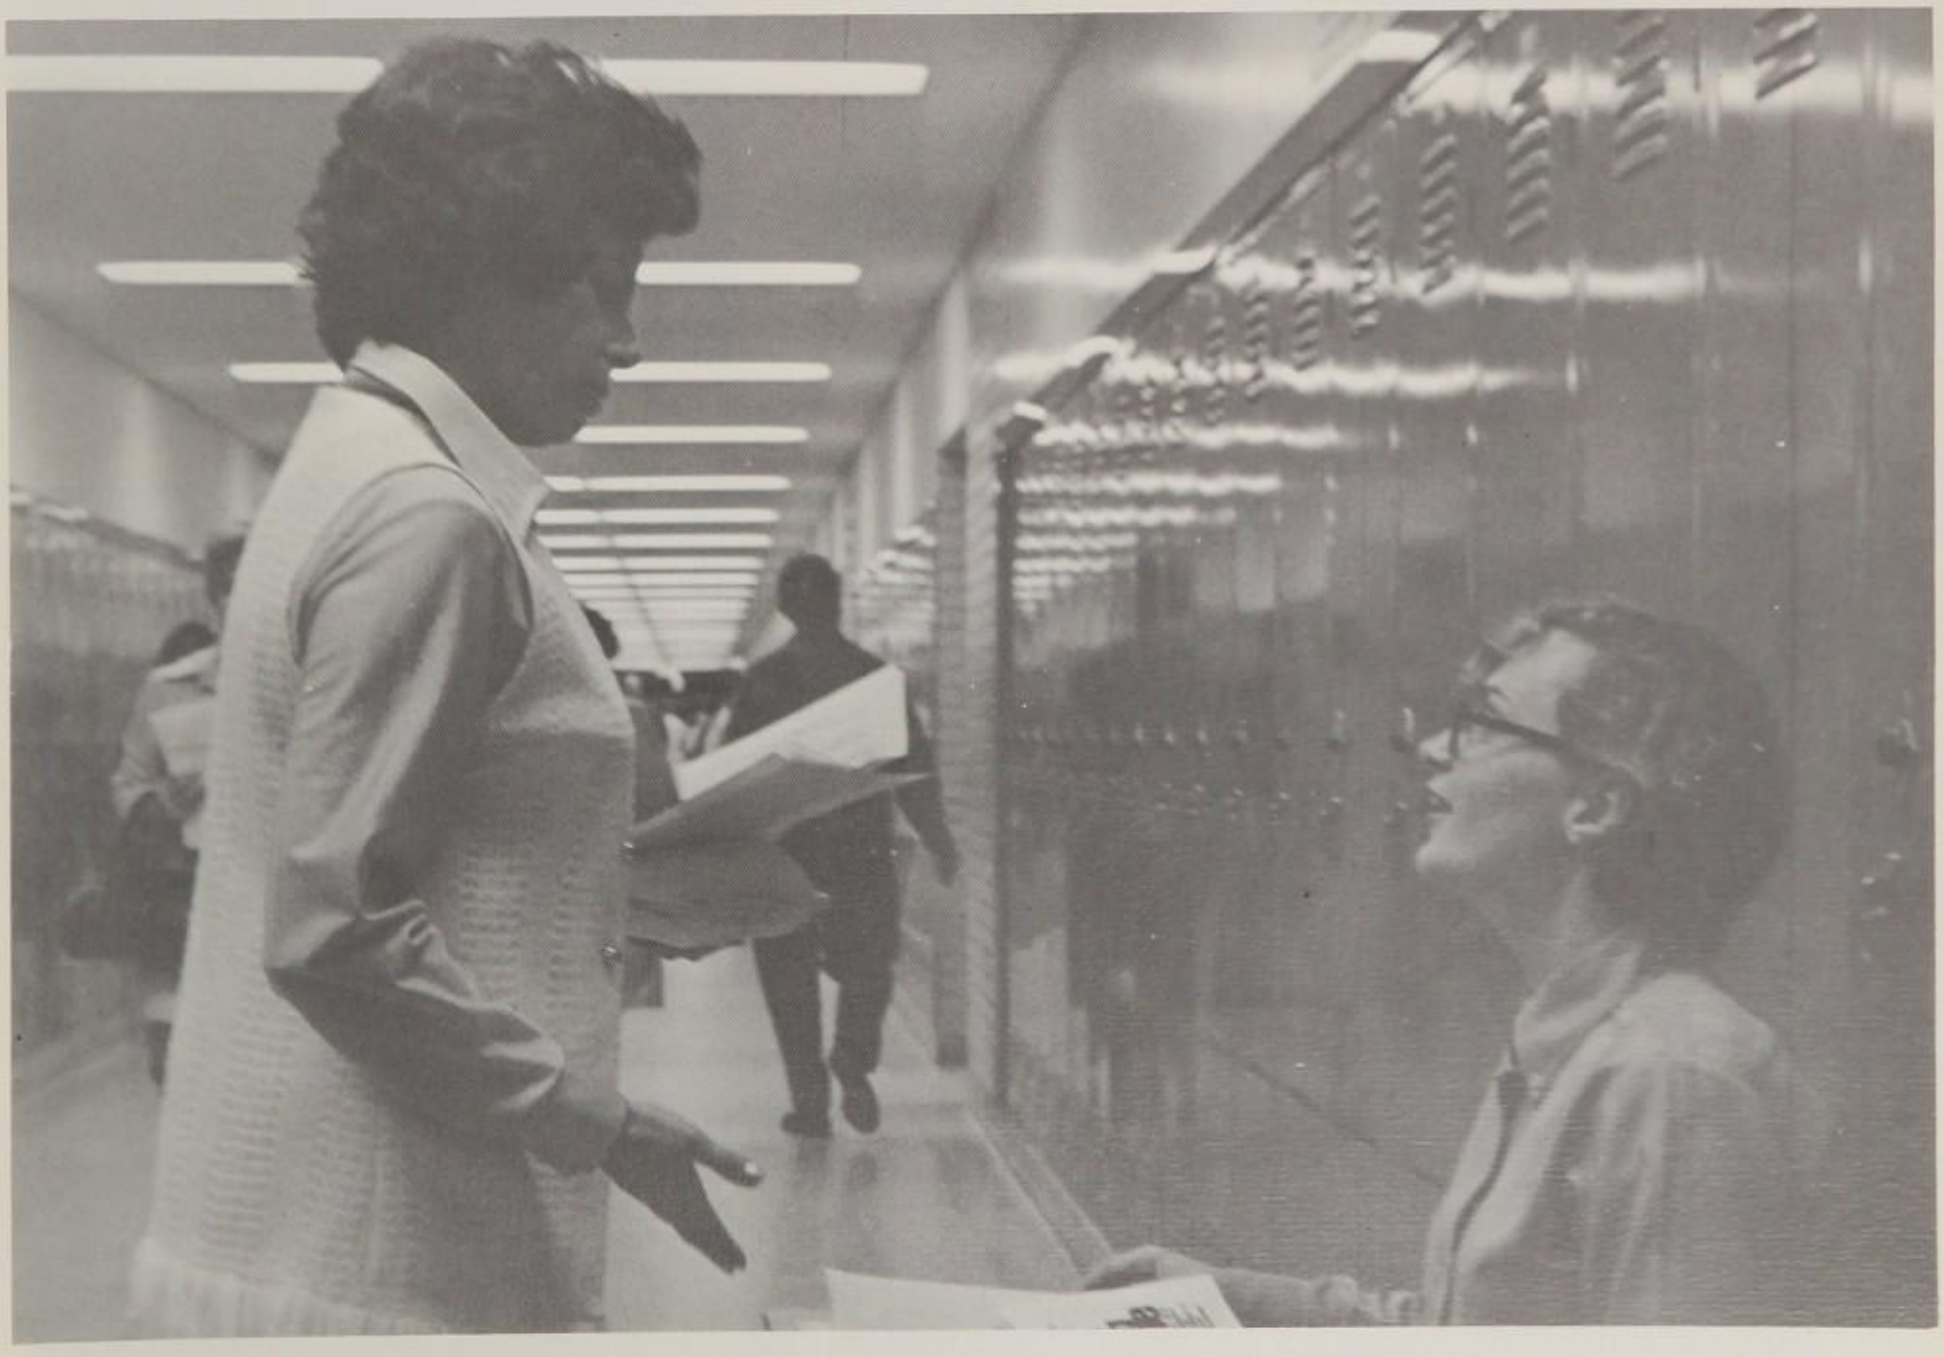
At this year's Big-Little Sister Tea, Girls' Club opened its doors and welcomed all the new freshmen and transfer students. They were entertained by a humorous officers' skit and a mod fashion show. Brownies and milk were handed out for refreshments.

College Night

The main purpose of College Night was to help college-bound students develop a clearer picture of which college to attend. Fifty schools from seven states sent representatives. A general session was held in the auditorium in the beginning, discussing what to look for in a college. Students chose three colleges which interested them and attended a session of each college they had chosen.

Parents Night

P&TA night was one chance for parents to meet their child's teacher and discuss the progress of each parents' child. They even followed a time schedule in shortened form. Helpful FTA members were stationed about the school to assist parents in finding the appropriate destination.



Assemblies

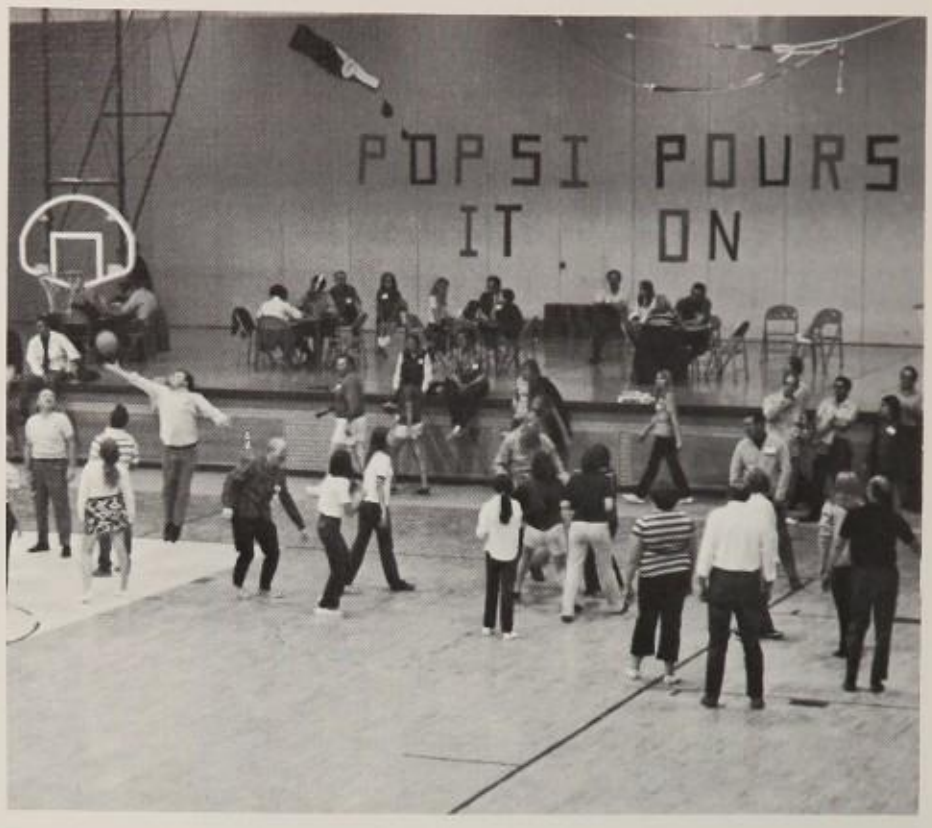
"V-I-C-T-O-R-Y, That's the Thornridge Battle-cry!" This chant was often heard at the student pep assemblies throughout the year. The atmosphere was often one of anxiousness and impatience from the students for the outcome of what class would be awarded the Spirit Trophy.

Flings

Where can you go to have fun and is inexpensive? You can go to the Highlander Flings after the home football or basketball game. Here students and teachers got together in a different atmosphere. The low lights and loud music combined with fun and togetherness.

Dad-Daughter Play Night

"It's the Popsi Generation", was the theme for this year's successful Dad-Daughter Play Night. It turned out to be an evening of cageball, volleyball, basketball, badminton, table tennis, shuffleboard, and to cool off, a refreshing swimming. If Dad was the kind who would rather just take it easy, there were checkers and cards for him. Later on, a dance contest was held. "Couples" were judged on their originality. They also had a tug-of-war contest in which the freshman class won. After an evening of fun, laughter, and a little pain, hot dogs and Pepsi were served in the cafeteria. It was an evening of fun for all. Dads will probably remember it with backaches, but the girls will remember it as an evening with "the other guy".



Gym Jams

This year's Gym Jams found students vigorously participating in basketball, volleyball, swimming, and other strenuous activities. Even for the least energetic, there were various card games and table tennis, so everyone had something to do. To top the evening off, there were dances so students could burn up their excess energy, if they had any left.

H.E.R.O.

H.E.R.O. translated means Home Economics Related Occupations. H.E.R.O. was a two credit course designed to help students prepare for gainful employment by providing on-the-job training experience. Emphasis was mainly on the food service occupations. Employment outlook, developing personal attributes desirable for employment, locating and obtaining a job, money management, sanitation, safety, table service technique, principles of food preparation were some of the topics of class study. Besides being a course, H.E.R.O. worked like a club with Bob Lindsay as president; Terry Hedlund, vice-president; Linda Mitchell, secretary; Marcia Tucker, treasurer; and as sponsor, Mrs. C. NFL and Theatre Guild

When a play went into production, the actors were always in the limelight. However, behind the scenes was where the action was with Theatre Guild. With the combination of artistic, hard-working members, hammer and nails, and a little paint, Theatre Guild always came up with a fantastic set. Mr. J. Hardin and Mrs. B. Thornton were around to advise these artistic people. Behind every great man was a great woman and behind Thespians was the great ability of Theatre Guild.

Thespians

"There's no business like show business". At least that was what a Thornridge Thespian would tell someone. This talented group of fine actors and actresses on their year-round schedule of theatre productions, President George Chialtas, Vice-President Judy Storey, Secretary Sylvia Caldwell, Scribe Linnea Lannon, and Advisor Mr. J. Benjamin were at the top of the 1970-71 ladder.

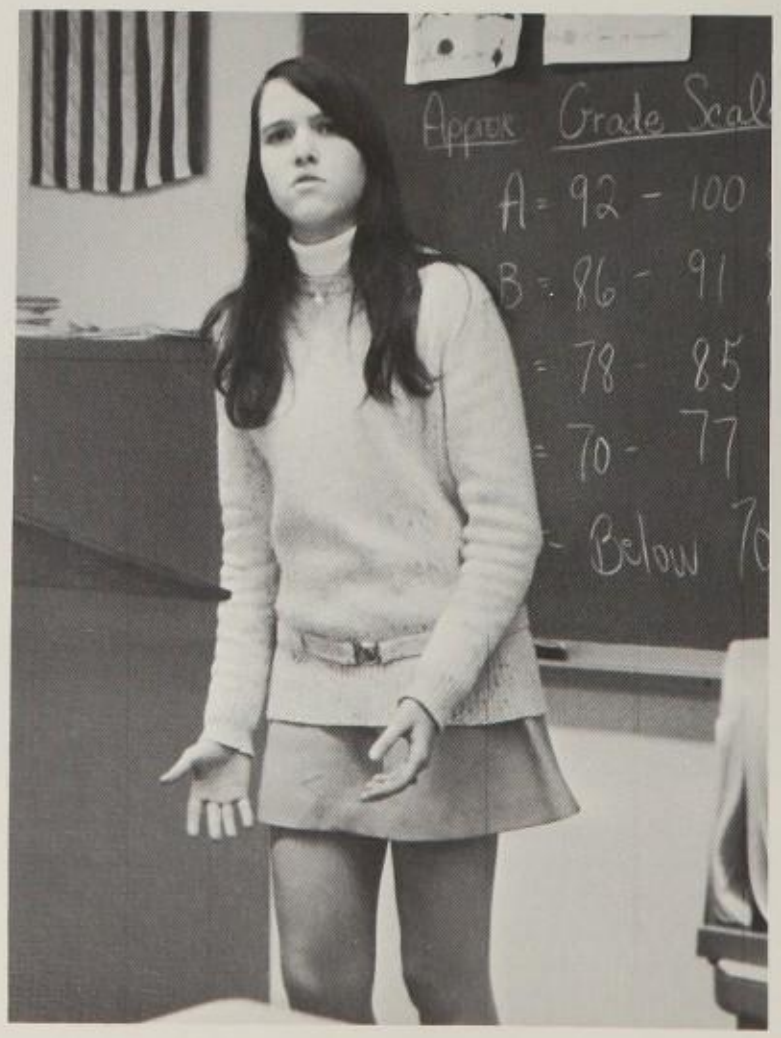
Debate

Who will fight for their side? Who goes around trying to find something to argue about? The Thorn-Ridge Debate Team, for one. This group is made up of students who learn how to argue, or debate, reasonably with examples and facts to back them up. They are truly a group who would rather "fight than switch!"



Our Literary Magazine Talisman

Talisman is Thornridge's literary magazine. It provides a place for the work of the creative writers of the school. While much of the work is done by the 34 students in the Creative Writing classes, **Talisman** also printed material from students outside these classes. Besides literary work, for the first time this year **Talisman** printed some of the finer photographs of Thornridge's student photographers. Mrs. Watts led a dedicated staff headed by co-editors, Jeanetter Larson and Carroll Hundley. **Talisman** also switched from 88 to 100 pages this year which means even more fine reading for Thornridge students from Thornridge students.

PIPER

The book that you are now reading and hopefully will finish reading was the product of hard painstaking labor from six editors, under Mark Maffei and Kathy Calhoun, a patient sponsor, Miss Carole Reiher, and the thirteen other members of the staff. "Piper" was this finished product. Staff members were working all the time. Not only did they work during their regular sixth hour class, but extra hours were spent before and after their regular classes and at home, and working at home football and basketball concessions to earn extra money for this illustrious book. Everyone on the "Piper" staff believed their time was well spent and hoped everyone in Thornridge also believed this.

Quill and Scroll

Quill and Scroll was an honorary society for students who have devoted their time to one of the school publications. To be eligible for membership, a student must have achieved journalistic excellence and was in the upper one-third of his class. Also, the student must be recommended by his staff sponsor and nominated by Quill and Scroll members. At the head of the group were Linnea Lannon, President, and Mrs. E. Grossman, sponsor.

Bag Pipe

This year's Bagpipe staff, headed by editor-in-chief Linnea Lannon, carried on the tradition of "strong editorial leadership", which the National Scholastic Press Association recognized by awarding the 1969-70 Bagpipe a first class rating with three "Marks of Distinction".

Tackling such subjects as student rights, shop-lifting, venereal disease, family adjustment school and dropouts, the Bagpipe won praise for its factual, unbiased presentation of current issues.

The staff initiated the humorous feature column, "Etc.", brought back "Car Talk" and introduced a fine arts column. They provided free papers for the entire student body the first week of school and on the day of the state basketball tournament.

Mary Beth Corcoran, Linnea Lannon, Denise Poloncak.

Future Teachers of America

Future Teachers of America was a prosperous club during the 1970-71 school year. Once again F.T.A. helped to add color to Homecoming with their annual Balloon Blast and Mum Sale. They held bake sales in nearby stores and worked concessions to help their Scholarship Fund grow. Members also participated in a tutoring program in local elementary schools. Under the supervision of President, Chris Huppert; Vice-President, Bill Gooch and Diane Tseminger; Treasurer, Pam Quarrell; Secretaries, Lynn Durbin, Kathy Lengel, and Dawn Shuton; Historians, Ellen Rosenberg and Alicia Shubert; Publicity Manager, Sharon Barbeaula and Advisor, Miss C. Reiher. More than 90 members proved themselves capable of being Future Teachers of America.

Library Assistants

Any student who had free time could become a library assistant. According to Mrs. D. Campbell, the duties of a library assistant were to shelve books, prepare the daily papers, assist students in the micro-film room, refill pamphlets in their respective places, deliver magazines to teachers, and deliver library notices and sometimes detentions. Each library assistant must know the Dewey Decimal System and pass an exam to qualify."

PST

Contrary to common belief PST was not a slang expression, but the name of Thornridge's camera club. The membership consisted of camera bugs and film freaks bent on taking pictures. Besides blowing their money and time on photographs the members' main objective was to learn about cameras from each other. The club was presided over by President Jim Kompare and advised by Mr. P. Broome.

Highlanders, the social committee of SCOT, this year offered thirteen Flings, the dances which follow home football and basketball games, They also presented three three-hour dances and the Student-Faculty Game and Fling. A Highlander first was Homecoming, which in the 1970-71 school year was a new responsibility. This 150-student group, under the direction of its five officers and two sponsors, worked long and hard to provide entertainment at least once a month during this past year for the entire Thornridge student body. Highlanders closed their year with annual SCOT-Highlander Banquet in May.

"Hear ye! Hear ye! Let's have a little quiet here!" These words came from a typical S.C.O.T. meeting where everyone had their chance to speak. S.C.O.T. the governing power of TR really got it all together this year. Rap-ins were held for the first time in the courtyard. At these meetings students had an opportunity to hear the opinions of others, but more important, the chance to voice their own opinions. The highlight of the year was revising the old, out-dated constitution and passing of the new one. Once again S.C.O.T. gave out Christmas baskets filled by homerooms to the needy. A first for S.C.O.T. was the electing of S.C.O.T. Senators. Four senators were elected from the eight surrounding communities. S.C.O.T. held an Earth Day in the early part of the 1970-71 year.

Congratulations were in order to Dennis Miller and the executive officers, Advisor Mr. F. Nardi, The S.C.O.T. congressmen and the S.C.O.T. Senators for their outstanding achievements in the field of understanding and for their direct contact with the students.

This year our many athletic teams achieved greatness and the Pep Club supported them all the way. Pep Club is an organization dedicated to showing the teams that the students care. Among other things, they sponsored buses to away games, worked on posters, and organized assemblies to show the players that we cared.

Who stands outside in the hall waiting for a teacher to finish using a film? Who pushes projectors through crowded halls after a teacher uses a film overtime? The answers to these questions were, the personnel of Audio Visual. These extremely brave study hall refugees volunteered for this perilous duty. They threw aside their own endeavors during study to serve their school. A.V. was also responsible for the transportation of all the audio visual materials for the school. Mr. F. McCully was the audio visual director.

The 1970-71 Twirlers consisted of 3 talented girls, Judy Bond, Bev Fath, and Laura Hauptman. They performed at all our home football games, some parades, and a few basketball games. At every performance, a different twirler was featured. Their costumes were designed and made by each twirler. With the help and guidance of sponsor Mrs. C. Goldie. They twirled to a different song with a different routine to make half timed interesting. Each girl specialized in either twirling 1 & 2 batons, 1 and or 2 fire batons, a hoop baton, or Samoan knives.

"1-2-3-4. Turn 2-3-4." These are sounds that were often heard by the 1970-71 Pom-Pon girls.

Pom-Pon girls were a group of twenty-eight energetic girls devoted to entertaining spectators at home football and basketball games. Besides half-time activities, these girls performed at assemblies and in summer parades. All the Pom-Pon girls' routines consisted of many hours of hard practice which was done under the supervision of their sponsor Miss Idzelis, captain Doreen Sliwa, and co-captain Karen Maas. Although so much was put into this year's enlarged squad, the girls all felt it was well worth it as they sat back and reminisced.

Thornridge Falcons No. I

The 1970 Thornridge Falcon Football Team finished the season undefeated in 9 games. As a result of that finished No. 1 in the South Suburban League and they also finished No. 1 in the state of Illinois. The mighity Falcons coached by Mr. W. Lunak demolished all of their opponents in 1970. It all started in the first game of the season when the Falcons handed the Eisenhower Cardinals a trouncing. Then the Mighty Blue Machine kept on rolling to the No. 1 ranking in the state. The Falcons were lead by senior quarterback Gary Lester who directed the Falcons to a 9 and 0 record. Junior Quinn Buckner was the teams leading scorer with 13 TD's. Coach Lunak was assisted by Coach Russel, Coach Jensen, and Coach Shatkowski. These coaches put the boys through many hard and strenuous workouts. During the summer, before school the boys practiced 3 or even 4 times a day to get ready for their opponents. When school started they practiced every day after school and sometimes during the weekends to get their timing and other football skills just right. Because of these practices we have the coaches to thank for their time and effort they devoted into making the Falcons of Thornridge No. 1 in Illinois.

Sophomore Football

The 1970 Thornridge Sophomore Football Team finished No. 1 once again in the South Surburban League. It was the second year in a row that this feat was accomplished. The team finished the season with a 9 win 1 loss record. The Fledgings were lead by head Coach Bush, assisted by Coach Goldie, Coach Olson, and Coach Bonfiglio. The team put in almost as many hours of practice as the varsity. In the summer they held practices 3 times a day and when school started they practiced 2 hours every day. As a result of their work the Fledgings rolled over all of their opponents their only setback was at the hands of a tough Richards team. The boys deserve alot of credit for their hard work.

Varsity Wrestling

A wrestler's honor is a fall. A fall in wrestling terminology, means victory. The main objective in the individual competition is to hold the opponent's shoulder blades to the wrestling mat for two consecutive seconds. An individual win yields five team points toward a team victory. Wrestling competition is almost totally an individual event, so it requires a group of the finest caliber to make a team of even mediocre quality. As in many other areas Thornridge students brought together to become one of the finest in our state To be sure Thornridge wrestlers fell many times this year.

Lettermen

The letter T is the first letter in the word Thornridge. T is also the award given to athletes who have shown outstanding ability in the sport they are working in. The pride with which these awards are awarded and accepted cannot easily be put into words. The letter is a symbol of a long season of rough competition with other team and even teammates. It is a symbol of spirit and of pride. The athlete who wears this honor should be proud of, not only of his own personal triumph, but the fine school behind the first letter in the word Thornridge.

A proud Thornridge athlete receiving an award.

Cheerleaders

Sophomore Squad — Row 1: Joanne Holata, Robin Freman, Nancy Brown Eileen Mastey, Peggy Boling, **Row 2:** Kim Quilici, Penny Andrews, Vicky Robertson, Dawn Kickert, Lynn Rogich.

The Junior Varsity and Varsity squads had an unusually hectic season. Before the school year barely began, the girls were involved in training sessions and trying out for the newly formed Sophomore squad. Even after the initial selection was over, the Junior Varsity and Varsity had to spend many hours working with the new squad and reworking their own routines because of the increase in squad size. The Varsity squad was also active in the selecting process for the three new squads for the 1971-72 school year.

A lot of time and much effort were extended by these girls to present good routines for the fans and to boost school spirit. All three squads were extremely active and work hard this year to support the mighty, mighty Falcons.

Junior Varsity — Row 1: Jody Woessner, Karen Lewandowski. **Row 2:** Debbie Shaw, Jamie Gurtz. **Row 3:** Launa Lancaster, Sue Skalka. **Row 4:** Marie Gorski, Gail Boldt, **Row 5:** Becky Booi, Patti Brannigan.

School Board

School board members faced a particular challenging year this year. With the construction of Thornwood came a host of related questions such as boundary lines for each school, the hiring of personnel, and whether the seniors would be at our new school or remain at their present school for graduation. In addition to these facets of their work, board members also made suggestions for budgeting in the district, attended meetings of importance to their functions as the citizens' representatives in the functioning of our schools, and did their utmost to help the administrators in our growing district.

Upper Right – Mr. Vandenberg. **Lower Right** – Mr. Webb.

Administration

A rare shot of Mr. Augustus leaving school during the day.

Mr. Jack Curless, Administrative Assistant, prepares for a board meeting.

It was indeed a rare moment when Mr. Augustus had the opportunity to leave school and still see the light of day this year because he was involved with so many things during 1970-1. With involvement in school board meetings, administrative meetings, superintendents' advisory board, parent conferences, meetings with the architects, and general supervisory duties, Mr. Augustus was indeed busy during 1970-1. In addition to each of above, Thornridge also had a number one fan for their athletic teams in Mr. Augustus.

Mr. Jack Curless served as administrative assistant to Mr. Augustus and helped to recruit new staff members. Mr. Ralph R. Rowe continued to serve as Director of Special Programs for the district and Mr. Don O'Brien continued his work as Director of Curriculum. Two new district employees, Dr. David Ely, and Mr. Leonard Grotenhuis served as Business Manager and Director of IBM Operations, respectively.

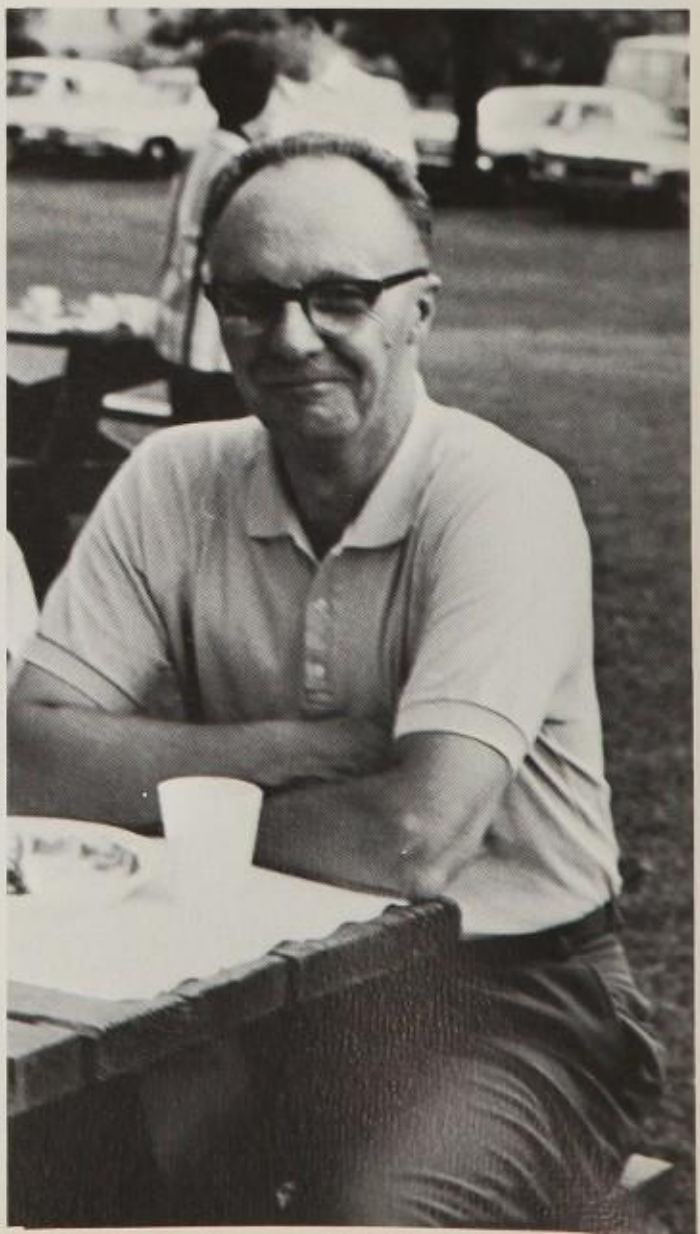
Our Principal

This year Mr. Tilton, along with his assistants has helped the school in many ways. Helping to solve students and teachers problems, and helping to solve the busing problems were just two of his many responsibilities as our principal.

This was Mr. Tilton's third year as principal and his twenty-seventh year in the district. He has a Master of Arts degree from the University of Chicago.



Mr. Arnold Koester

Mr. Sal Salato

Our Assistant Principals

Mr. Dan Carmichael

The assistant Principals have been as much a part of Thornridge as the students. They will always try to help anyone who needs help.

Mr. Carmichael, is in charge of busing and activities. Mr. Salato, is in charge of handling our discipline and scheduling. Mr. Koester, is in charge of teachers and curriculum.

Deans and Counselors

The deans and counselors of Thornridge were responsible for a major part of the smooth running operation of the 1970 — 1971 school year. Students sought their counselors for a variety of problems. Some of the problems concerned next year's curriculum, college, and plans after high school if one was not entering college. It was the deans somewhat dubious job of handling disciplinary problems. In the end, many students discovered a friend in the deans and counselors.

SPECIAL EDUCATION

District 205 tried to provide a well-rounded education for everyone. Our Special Education program was for the trainable mentally handicapped. The students who had learning difficulties were enrolled in Special Education to help them overcome any problems and to adjust to life in the community. In other words, to become independent. Basic survival words and reading, life care, and manners were part of the Special Education curriculum.

OUR WORK

Freshman Class Officers

Left To Right — Kim Travis, Debbie Gibson, Jim Rusehvich, Marianne Tsilis.

Freshman class officers showed the members of their class the guiding light of leadership and greatness this year by being elected by their peers to represent them in their quest for identity in the sometimes confusing world of Thornridge. Out of the wandering fledgling students of Thornridge, four strong figures stood silhouetted against the dawning of their careers at Thornridge. These four fine leaders deserve this place in the book as a thanks for the fine work they have done.

Senior Officers, Seated; President Jim Loggins, Secretary Karen Guger, **Standing;** Treasurer Barb Mason, and Vice-President Murray Johnson.

The 1970-71 graduating class will have quite a bit to remember when they look back on their high school years. They were the last class to be on a full day of school and eat in the cafeteria before split shifts came, the first senior class to fly to Washington D.C., They had the Computer Dance in their freshman year, they were the first class to attend Prom off-campus at the Lexington House, they enjoyed the short-lived Student Lounge, and last but not least, they will remember the Falcons and being Number One in the state in Basketball and Football. Honor was brought to our school by George Chialtas, James Kezerle, Terry Lenhardt, Kathleen Roth, and Nancy Fukuda who were selected as National Merit Scholars (Thornridge and five out of six in the district); Nick Burbules won the National Council of English Teachers Award, he was first to bring this honor to Thornridge since 1964; and Bob Jehli who placed first on trampoline in Gymnastics in the state. Brilla Wilson also honored the school by placing first in the state shorthand contest.

Three active members work diligently to make their project a success.

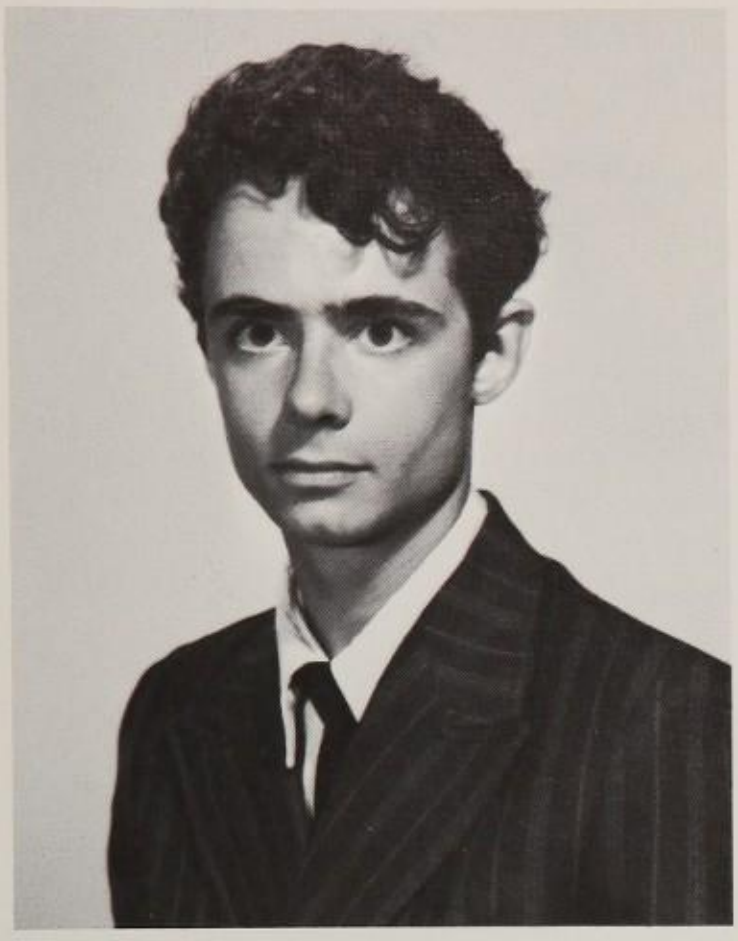
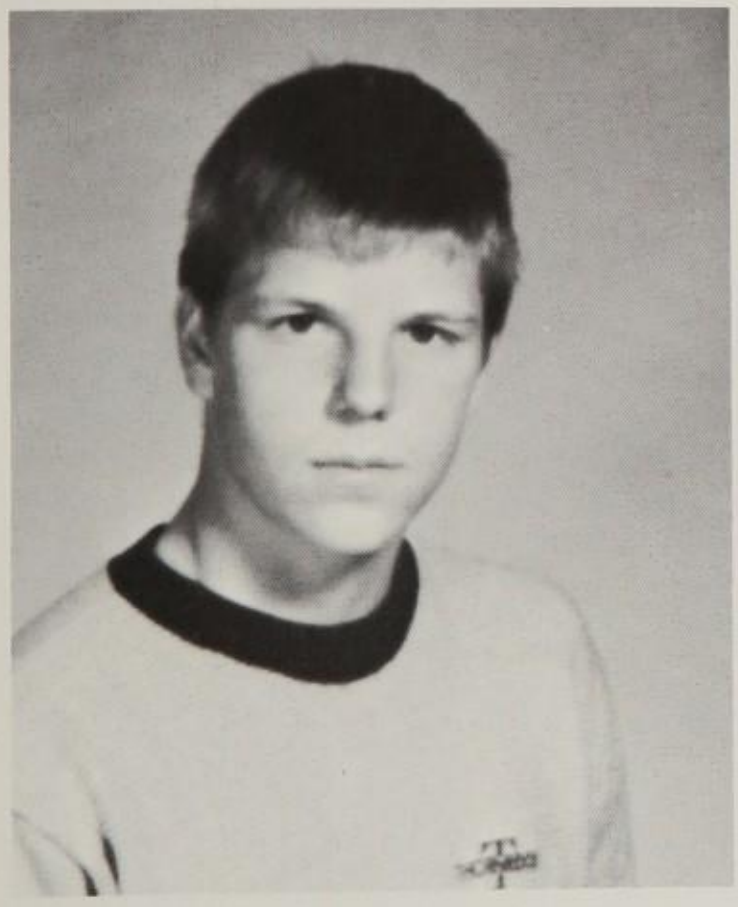
JERRY WELLS

In Memorium



Upper Left — Steve Kosinski senior — He was active in sports and he was on the Soph-Frosh Gymnastic Team in 1968. He tried his very best in everything he did. He died in a car accident in December 1970. Everyone who knew him will not forget him.



Alan Nehls sophomore — **Lower Left** — was active in all kinds of sports. He died in a train accident and his friends will remember him forever.

There always seems to be a group of people who don't receive enough recognition. The group of ladies that we are referring to is the Clerical Staff. Not only do they answer phones, type, handle registration, and do secretarial work but always greet you with a smile when you are in need of information.

Before Thornridge opened, a staff member, Mrs. J. Turner passed away. It was with great sadness that we learned of the sudden death of a fine woman who was loved and respected by all who had the good fortune of knowing her.

As the final page of this yearbook is drawn up I find that it is time to thank all who helped in the production of the '71 Piper. First I would like to thank the staff for their contribution in getting the book done. I especially would like to thank my Co-editors, Kathy Calhoun and Denise Polancak for their long hours of work without whose help this book would not be finished. Next I would like to thank Mary Canning and Jane Mossell who were not on the staff but contributed much of their time to the production of this yearbook. Also I would like to thank Mr. Salato and Mr. Carmichael for their help in getting things for us which we could not have gotten ourselves. My gratitude goes to Mr. Bull of American Yearbook Company and Root Studios for their help in Producing this book. Finally, I would like to thank Miss Reiher for whose hard work and patience I am grateful.

I hope that the experience of working with people will come in handy later in my life.

A NOTE FROM MISS REIHER

As I survey the top of an almost empty desk, I cannot help but reflect upon the many people who helped make this book. Each of my editors can be commended for their work, and I especially thank their parents for allowing them to "burn the midnight oil" on a few occasions. Thanks to Root Studio, Mr. and Mrs. Norb Dompke, and Pat Cornejo (our man from Root who really knows our school) for their aid; Paul Parent from Parent Photos for pictures when we were in need; and special thanks to the wonderful and helpful friends and administrators here at Thornridge who were so kind to the staff and me.

American Yearbook Company and their representative, Mr. James Bull, deserve special thanks for their consideration for all they have done to make this book possible. Jane Mossell and Mary Canning devoted much time to our book as diligent typists and workers for "the cause" and I wish I could have both of them on the staff next year.

Thank you all for being of assistance.

With This Book, Many of Us End Our Last Year . . .

Fred,

Ya a really weird, crazy person just like me. Just think we'll be big Simons next year. Cool, huh? Try to forget Reiher; if you can, in English. Have fun Dave, the long haired comic. How you got this Summer (and since I know you don't work Toooo fried from your ('81) Hard. love + peace always, Laura

"73"

Fred,

This yearbook
is a year late, but
I'll sign it anyway. Good
luck over the summer and
See you next year.

JOE W.

I DECIDED TO SIGN THIS AS I SOUNDS TO MYSELF ALWAYS WRITE TO FIGURE OUT QUIT REASONABLY SOMETHING DOWN, SO I'M SIGNING A '70-'71 YEARBOOK IN SEEMS TO INDICATE SOME FACET OF YOUR PERSONALITY. I'M NOT SAYING YOU'RE WIERD, FRED. JUST UNIQUE. AS FAR AS I'M CONCERNED THAT'S AN ASSET IN A LOT OF WAYS. YOU'VE HELPED MY YEAR A LOT IN ANY WAY.

Kent

Fred,
To a rather unique
person. You have made
my year. I shall always
remember you. It has really
been a pleasure knowing
you, though, and I hope

Fred,
It has been a pleasure knowing you this year. You were a great friend during the summer and we had some good games of tennis.
Always

Sandy
